True Cost to Clean 1200 MPO Connectors

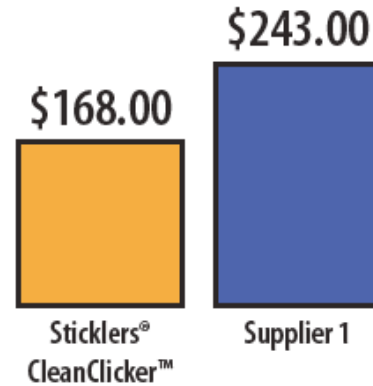

Number of Tools Required

One Sticklers® CleanClicker MPO™ fiber optic connector cleaner has a 600 cleaning capacity vs. 500 cleaning capacity of the tool from Supplier 1.

An installer would only need two CleanClicker MPO™ fiber optic connector cleaners to clean 600 mated pairs. Alternatively, he would need three tools from Supplier 1 to accomplish cleaning 600 mated pairs.

Total Cleaner Investment

Sticklers® CleanClicker MPO™ fiber optic connector cleaner has a MSRP of \$84 . List price from Supplier 1 is \$81 each.

An installer would invest \$168 to clean 1200 MPO connectors using the CleanClicker MPO™ fiber optic connector cleaner, saving up to \$75 for cleaning 1200 connectors.

Sticklers® Product Portfolio Includes:

- Fiber Optic Cleaning Kits
- CleanClicker™ fiber optic connector cleaners
- Fiber Optic Splice & Connector Fluid
- CleanStixx® stick cleaners
- CleanWipe® optical grade wipes
- Optical Grade Dust & Particle Removers

When you need perfectly clean splices & connectors®
